

ASKING QUESTIONS

- 1 USE INTERROGATIVE WORDS – 6w +H -- Verb comes immediately after- Other words later.
- 2 VERB FIRST - Look at the verb,
[a] if it is **is** or **was** , move it to the beginning —
[b] if it is **will be** move only **will** to the beginning – [RULE FOR VERB ROOT **BE**]
3. SENTENCE WITH ANY OTHER VERB -- Look at the verb,
[a] if it is FUTURE TENSE follow rule 2[a]-

[b] if it is **PAST TENSE** split [= break, make into two words] into **did + [verb root]** take only **did** to the beginning .
[c] if it is **PRESENT TENSE** split [= break, make into two words] into **do+ [verb root]** take only **do** to the beginning
[d] if it is **PRESENT TENSE** [with s in the verb,] split [= break, make into two words] into **does + [verb root]** take only **does** to the beginning - this rule is for third person singular [i.e. he, she, it] which has already '**s**' attached to the verb root

Answers are here. Ask the appropriate question.
