

IDEAS FOR NEW CARD GAMES

New game 1

House- father –mother – children	house- kitchen- tv- bathroom-
School- teacher- students- books	school- blackboard- classrooms- play
city- houses- hospital- college	city- traffic- pollution- noise
Village- farmers- festivals- fresh air	village- fields- huts- carts
Vehicle- bus- taxi- train	vehicles- petrol- diesel- horse
Writing- pen- pencil- notebook	writing – letter- book- poetry
Actions- walk- run- jump	

Total 52 cards - add 2 jokers [joker can be a standard smile-face]

This set can be played just like any playing cards – rummy etc.

New game 2

Choose 4 types of symbols – same as diamond. Clover, spade and heart or any other like triangle, square, circle and rectangle - Make 2 cards – first one diamond, the second i[one] repeat with four items i.e spade etc now make 2 symbols only and 2[two] continue upto ten- You have total of 80 cards play as you like- rummy memory etc.add two jokers if u want to play express .

New game 3

1 - 10- 100 – 1000 Like this make 2- 20- 200- 2000 Continue to make 10 – 100

You have 40 cards-- play as you like

New game 4 and 5

Just as game #3 but more rules

Make a set of numbers 1 to 100 for game #3 select only the odd numbers - this makes

1,3,5,7,9,you'll get 50 cards rule : 1,11, 21, 31 etc makes a set any four or more consecutive is ok for a set - likewise 7,17,27,.....will be another. Play as you like. If you want to play express add four jokers

For game #4 10,20,30 40will be a set or 8,18,28,38,also – all will be even numbers

For game #5 , one can mix games 3 and 4. –

Lesson from the above; make and keep some jokers ready will be useful

New game 6

This requires a knowledge of English sentence structure , teacher or volunteers can provide the necessary input

A Collect many nouns - one per sentence – game may have 40 sentences-

B Verbs in the present tense with “s” added –

C Adjectives assorted types

D Common list of prepositions

E Some extra nouns including names of persons, places , things etc.

5 different colours FOR A TO E

SUGGESTION

TAKE ONE A AND ONE B - MAKE A SENTENCE

TAKING C,D,E ARE OPTIONAL

SCORE IS COUNTED AS = 2 X [NUMBER OF WORDS USED] AT EACH STAGE OF COMPLETING A SENTENCE.

e.g

A CAT BOY UMA

B EATS PLAYS LIKES SITS SLEEPS LIVES

C GOOD BAD HAPPY SAD FAT SLIM NICE

D AT IN ON NEAR FROM TO

E RAT EGG FOOD ICECREAM TEA COFFEE HOUSE

Added suggestion Keep free bank of words a, an; the ; jokers for pronouns of player's choice

[This is not really a new game . Learnt from a good grammar book]
