Some facts

F1 puc science + MBBS - too long and too expensive for poor families

F2 puc science + BE -- same as F1

F3 just pass degree or puc - no good job opportunity

F4 DI, D2 - HARD WORK WITH FAMILY SUPPORT NECESSARY- highly competitive - needs aptitude for maths and writing English –

F4 DIPLOMA IN ENGINEERING OR COMMERCIAL- CAN GET SOME JOB

F5 POYTECHNIC ROUTE to BE is easier , MORE CERTAIN. LESS MONEY SPENT

F6 BSc NURSING IS GOOD FOR PUC SCIENCE PASS

F7 ANY NURSING, HOME CARE, PARAMEDICAL – IS GOOD FOR JOB OPPORTUNITIES- BUT NOT VERY HIGH SALARY

F8 SSLC fail should try many times - repeater- meanwhile learn something like data entry, mobile repair, car driving, etc.
