

Sethu Bandhana Trust works for underprivileged children and youth. Education is one of the important activities of Sethu Bandhana Trust. Many academic programs are available to those who are interested. For the sake of students aspiring for technical qualifications like ITI, polytechnic diplomas etc.[and also those who have just finished] , the following programs are available:

1. BASIC MATHEMATICS
2. BASIC ENGLISH- reading, writing and grammar
3. HOW TO READ a new topic and understand
4. HOW TO TAKE NOTES- oral and written
5. concept of TREE MAKING
6. idea of CONCEPT MAPPING
7. STORY WRITING using phrases
8. REPORT MAKING using notes
9. BASIC SCIENCE for engineering

All the topics are available in TWO MODULES.

Module 1- one exposure for a short duration [2 to 3 hours]-

Awakening, awareness, introductory, bird's eye-view

Anyone can join.

Module 2- 3 to 10 sessions [1-2 hours] depending on the topic and enthusiasm of the participants.

Committed learners and continued attendance preferred.

Actual hands-on workshop method after a short theory.

All the programs of Sethu Bandhana Trust are voluntary and free and done as service to society.
